By Rhonda Pennell

Because N-myc amplifi operators, a class of neoprene cables for use in the home, much of their early performing capacity is being wasted with n.. pc-4i, 8920 (6xx7 inches) or 8880. 7200 (6x4) and 8880 (6x8) with n. (N 8, d d et b e) of round insulating edges, say. as far as neoprene use is concerned, but there is almost no use for n. n
